

## **Bill Files, 1961-1992**

### **Boxes 158-162 (5 boxes)**

Arranged chronologically by session, then numerically by bill number. Contains some gaps. See Legislative Working Files for additional information.

Contains mostly copies of bills introduced or co-sponsored by Morris K. Udall, and a few legislative history control sheets (indexes) documenting the status of the bill through the session and narrative descriptions of major provisions of the bill. Major areas of interest documented in these files include the environment, postal and campaign reform, land use and planning, and national parks and wilderness areas. Also includes some press releases, correspondence between Congressmen related to the bill, notes and clippings. I and II indicate sessions.
