

Speech Files, 1961-1991

Boxes 701-712 (12 boxes)

Arranged chronologically.

Contains memos, drafts and texts of speeches, speaking notes, outlines, printed materials, and working files on subjects for speeches. Main topics in these files relate to politics, leadership, congressional reform, environment, strip mining, Vietnam, the Central Arizona Project, economics and other topics. Note that the general working files for speeches (arranged by topic) precede the speech files proper. Speeches are arranged chronologically; where only a year is noted on the original folder. Such files precede others from that year.

The campaign files also include speeches and speech materials. Materials similar to speeches (statements by Morris K Udall) are contained in 4.3 (Mailings, Newsletter, Robos (and statements) and in 4.2 (Press Releases).
