

Questionnaires, 1963-90

Boxes 753-754 (2 boxes)

Arranged chronologically and by Congress.

Contains opinion questionnaires sent by Morris K. Udall to constituents, flyers describing the questionnaires, drafts of questionnaires prepared by Morris K Udall and staff, computer printouts with tabulated answers, Congressional Record inserts describing the results of the questionnaires, notes and correspondence related to the questionnaires. The questionnaires relate to major issues of the period including Vietnam, CAP, firearms legislation, direct election of the President, public disclosure, 18 year old voting age, volunteer army, taxes and campaign financing. Also contains correspondence with public opinion polling consultants. Weeded from this series were duplicates and questionnaire paste-ups. The bulk of the correspondence consisted of simple thank-yous from Morris K. Udall to the constituents. A 10% sample of this correspondence and a 1% sample of the returned questionnaires were retained.
