The University of Arizona Libraries are proud to announce that Friends who have donated over $500 and all President's Club members now receive online database access to nearly 1,000 full-text journals and abstracts for 8,000 more journals as part of their library privileges. This is a benefit provided through a partnership between the UA Libraries and the University of Arizona Foundation. Academic Search Friends of the Libraries Edition is designed for the research needs and interests of the professional, providing full-text for nearly a thousand publications as well as indexing and abstracting for over eight thousand publications. The database offers information on academic and popular topics, including science, literature, philosophy, entertainment, sports, and home and garden. Whether for business or pleasure, from Money and Forbes to Golf Magazine and National Geographic, you can find the articles that interest you. A full title list is available at http://www.epnet.com/academic/acaalumni.asp.

The only thing needed to take advantage of this new access is a library card. If you need a card, contact Laura Bender at (520) 621-3485 or Sandy Vasquez at (520) 621-6431. If you already have a library card, you're ready to log in!

Instructions for Access to Academic Search Friends of the Libraries Edition:
2. On the right side of the page under "Affiliated Sites," click on Friends of the Library.
3. Click on the "Database Access" button.
4. Click on the name of the database, Academic Search Friends of the Library Edition.
5. Enter your last name and library card (CatCard) number.

If you need help using the database, call the library information desk at (520) 621-6442. Enjoy!
